

AES

The objective of the **Extra-Curriculum Activities (AES)** is to offer to your children the opportunity to practice sports and /or cultural activities outside school time.

Organisation

The AES are supervised by members of school or external facilitators, specialized in artistic or sporting discipline.

The Lycée provides the necessary material for the animation, but the children must present themselves with appropriate clothes for the chosen activity.

The facilitator will not accept the participation of a student whom he had had to take more than once custody for longer than 15 minutes.

In case of bad weather, the activity will take place in the room as far as cancel the session. The invoice will be added to the school fees.

Calendar

The AES are organised in 2 periods, dividing the school year in 2 periods.

Registration

Registrations are made online (Google Form), upon receipt of the information note from the school life office. This note will set the registration dates and period, the AES program and their rates.

Registration is for a session of a full period.

Attention: The number of children being limited by activity, the participation, or not, of a child in a club will depend on the order of registration.

The contribution is fixed and final. No refund will be made in case of bad weather or absence of the student.

Insurance

The Lycée subscribes to an insurance policy that covers each child under the AES.
