

**Choice of linguistic path**

Dear Sir/Madam:

You will have to choose entry to a “linguistic path” for your child at the start of the next school year. These paths will have 2 dominant:

- English-speaking dominant
- Amharic-speaking dominant

The linguistic path **is compulsory at the nursery level**. You will then also have to make a choice at the entry into CP, for the elementary cycle, between a path with either English-speaking or Amharic-speaking dominant. Your child will thus join the secondary level with a reinforced command of one of the two offered languages, while benefiting from an introduction to the other language.

Below is the choice for nursery school (the linguistic path will be set up for CP level at the start of the 2021 school year)

	PS	MS	GS
Back to school 2020	<b><u>Amharic-speaking path</u></b> Amharic : 2h00 English : 0h00	<b><u>Amharic-speaking path</u></b> Amharic : 2h00 English : 1h00	<b><u>Amharic-speaking path</u></b> Amharic : 2h00 English : 1h00
	<b><u>English-speaking path</u></b> Amharic : 1h00 English : 1h00	<b><u>English-speaking path</u></b> Amharic : 1h00 English : 2h00	<b><u>English-speaking path</u></b> Amharic : 1h00 English : 2h00

Your child **joins** (check the appropriate boxes):

- PS → you choose the Amharic-speaking  or English-speaking  path
- MS → you choose the Amharic-speaking  or English-speaking  path
- GS → you choose the Amharic-speaking  or English-speaking  path
