

LET'S PROTECT OURSELVES AND OTHERS

AT LYCÉE GUEBRE MARIAM
A CALM RESTART WHILE RESPECTING SANITARY RECOMMENDATIONS

So that all elementary, middle school and high school students return to school in good conditions, we take measures to ensure the safety of all. It's with you and through collective accountability and vigilance that we will ensure education for all, protecting students as well as adults. Here are how your child's day will unfold and the rules to follow to protect ourselves and others. Together, we will succeed.
