INTERNAL REGULATION OF THE ELEMENTARY SCHOOL

The internal rules of the elementary school of the Lycée Guebre - Mariam consist of all provisions which govern the life of the students. The enrollment of a pupil constitutes acceptance of these rules and commitment for him and his family to conform to them. The provisions of the educational contract are reaffirmed at the school council meeting of 22 June 2022.

TITLE 1: ATTENDANCE AND SCHOOL OBLIGATION

Regular attendance is compulsory.

Students are required to attend all scheduled lessons. Physical and Sports Education lessons are compulsory like other subjects: students can only be exempted on presentation of a medical certificate. Each student must have a sports outfit.

Any absence must be justified by a letter from the parents or the person legally responsible for the child, accompanied by a medical certificate if the absence exceeds two days.

*** Any unjustified absence of more than fifteen consecutive days will result in the pupil's expulsion.**

*** Unjustified absences are, in all cases, counted, and may lead to non-enrolment the following school year (provision of the educational contract, reaffirmed by the school council on 21 June 2022)**

TITLE 2 : SCHEDULES AND MOVEMENTS

The weekly duration of lessons is 25 hours, spread over seven half-days.

The daily class duration is fixed as follows:

- Morning from 7h50 am to 12h00 pm (Monday to Friday)
- Afternoon from 1h30pm to 3h30 pm (2 afternoons per week)

Teaching of Amharic:

Amharic language teaching is compulsory at the rate of one hour per week for all students. This preparation is accessible to non-Ethiopian students on an optional basis.

Opening hours of school gate are fixed as follows:

- **Morning**

Entrance :	Gate opening 7h10 am
	Gate closing 7h50 am

Pupils enter and leave Lycée only by the Elementary North Gate which is reserved for them.

During entry and exit times, access by other gates is prohibited (except for school staff).

Students exit:

At 12h00 pm and at 3h30 pm, pupils wait for their parents inside an enclosed area at the North Gate. If parents are unable to pick up their child, they should immediately notify the office: phone # 095 397 23 64.

From 12.15 and 15.45, pupils not collected by their parents are placed under the supervision of the garderie staff.

After 3 late pick-ups, a notification is sent to the parents informing them that each late pick-up will result in a fee of 500 Etb for each new late pick-up. This additional supervision fee will be invoiced at the end of each month.

At 5h00 pm, they will be entrusted to the guards located at Churchill Road Gate. Children are thus kept inside Lycée premises until parents pick them up, even outside regular school opening and closing hours.

Students must leave school or go to daycare (if they are registered) at the end of the course.

Temporary or permanent exclusion may be pronounced in case of repeated parental neglect regarding the retrieval of their child at the end of classes, within the scheduled times.

No person outside school staff is authorized to enter Lycée premises without prior authorization. Wearing in a visible manner a badge provided at the Churchill Road Gate is then compulsory. Parents are not allowed to disturb teachers during school time.

Tardiness:

Late arrivals penalise your child and seriously disrupt class life.

If your child is late more than 3 times, a notification is sent to the parents. It specifies that any further lateness will be sanctioned by a fine of 500 Etb. These fines will be invoiced monthly.

After the 10th delay, a second notification is sent. It specifies that the child is not allowed to enter the classroom on the day of the delay, and must be collected by the parents.

Picking up a student during class hours:

Parents must fill in a form provided for this purpose at the Elementary School Office and inform if possible beforehand, in writing the teacher or the elementary school secretary if they pick up their child during class or during recess.

Recess:

At the ringing for beginning of class and end of recess, students line up and enter classrooms, under the responsibility of their teacher. No student may stay in the classroom during recess or outside of school hours, in the absence of the teacher.
