BOUM

Le premier jour de l'école, j'étais très nerveux. J'étais assis dans la classe et j'attendais que le professeur arrive. Mais quand il est arrivé, j'ai vu que tous les autres élèves étaient déjà assis à leur bureau. J'ai couru vers mon bureau et j'ai pris mon cahier. Le professeur a commencé à parler et j'ai essayé de l'écouter. Mais j'étais si nerveux que j'ai oublié ce qu'il disait. C'était très gênant. Mais maintenant, j'ai appris à me contrôler et je suis prêt pour l'école.

Learning languages at the Lycée Guebre Mariam

At the beginning of the 2021 school year, the Lycée Guebre Mariam offers a language program starting from CP, with a focus on English or Amharic.

For the other elementary classes, the teaching of Amharic remains organised in 1 compulsory hour for all pupils, and 2 compulsory hours (reinforced Amharic) for pupils of Ethiopian nationality and optional for pupils of other nationalities.

The teaching of English is complemented by the teaching of a subject from the French curriculum in English (EMILE).
